§ 146.40 Diving casualties.

Diving related casualties are reported in accordance with 46 CFR 197.484 and 197.486.

§ 146.45 Pollution incidents.

Oil pollution incidents involving an OCS facility are reported in accordance with §§ 135.305 and 135.307 of this chapter. Additional provisions concerning liability and compensation because of oil pollution are contained in Subchapter M of this chapter.

Subpart B—Manned OCS Facilities

§ 146.101 Applicability.

The provisions of this subpart apply only to manned OCS facilities except mobile offshore drilling units.

§ 146.105 General alarm system.

Each manned facility must have a general alarm system. When operated, this system shall be audible in all parts of the structure on which provided.

§ 146.110 Emergency signals.

(a) The owner, the owner's agent, or the person in charge shall establish emergency signals to be used for calling the personnel to their emergency stations.

(b) The signal to man emergency stations shall be an intermittent signal on the general alarm system for not less than 10 seconds. The abandon facility signal shall be a continuous signal on the general alarm system.

§ 146.115 Duties of personnel during an emergency.

(a) The owner, the owner's agent, or the person in charge shall assign to each person on a manned facility spe-

cial duties and duty stations so that in event an emergency arises confusion will be minimized and no delay will occur with respect to the use or application of equipment required by this subchapter. The duties shall, as far as possible, be comparable with the regular work of the individual.

(b) The duties shall be assigned as necessary for the proper handling of any emergency, and shall include the following:

(1) The closing of air ports, watertight doors, scuppers, and sanitary and other discharges which lead through the facility's hull.

(2) The stopping of fans and ventilation systems.

(3) The donning of life preserves.

(4) The preparation and launching of life floats, lifeboats, or life rafts.

§ 146.120 Manning of survival craft.

The owner, the owner's agent, or the person in charge shall assign a person to each life float, lifeboat, life raft, or survival capsule who shall be responsible for launching it in event of an emergency.

§ 146.125 Emergency drills.

(a) Emergency drills shall be conducted at least once each month by the person in charge of the manned facility. The drill shall be conducted as if an actual emergency existed. All personnel should report to their respective stations and be prepared to perform the duties assigned to them.

(b) The person in charge and conducting the emergency drill shall instruct the personnel as necessary to insure that all persons are familiar with their duties and stations.

(c) *Emergency evacuation drills.* The following emergency evacuation drills must be conducted:

(1) At least once a year, all the elements of the Emergency Evacuation Plan (EEP) under § 146.140 relating to the evacuation of personnel from the facility must be exercised through a drill or a series of drills. The drill(s) must exercise all of the means and procedures listed in the EEP for each circumstance and condition described in the EEP under § 146.140(d)(9).

(2) At least once a month, a drill must be conducted that demonstrates
